Experience

FELLOW, GENERAL ASSEMBLY; AUSTIN, TEXAS – 2019 - PRESENT

- Successfully completed three month, 500 hour immersive cohort learning modern web technologies. Synthesized previous creative processes to generate a development work flow in an agile environment, leading to all projects and labs delivered on or before deadline(s)

CREATIVE GENERALIST, GIIIIID; REMOTE – JAN 2012 - PRESENT

- Design, build, or maintain web sites, using authoring or scripting languages, content creation tools, management tools, and digital media.
- Plan and conduct special research projects in personal areas of interest and expertise leading to a selection of exhibitions, events, and meetups.
- Write advertising copy for use by publication, broadcast or internet media to promote the sale of services and entertainment
- Design, build, and sell porcelain based ceramic work ranging from functional, wheel-thrown objects to expressionistic, hand-built sculpture

OUTBOUND SHIP CLERK, AMAZON; HOUSTON, TEXAS – 2006-2008

- Led implementation of a metric based reward system for associates that exceeded weekly rates and safety standards, creating a pleasant work atmosphere and positively impacted business related KPI's year-over-year.
- Trained several senior level managers on outbound dock procedures and key metrics in order to create better understanding between departments. As a result, deltas in building metrics were positively impacted and wasted loads were decreased by 31% from 2017 to 2018.
